PROPOSED BONUS ISSUE

1. Introduction

The Board of Directors (the "**Board**" or "**Directors**") of Oxley Holdings Limited (the "**Company**") and together with its subsidiaries, the "**Group**") wishes to announce that the Company is proposing a bonus issue of new ordinary shares in the share capital of the Company (the "**Bonus Shares**") to the shareholders of the Company (the "**Shareholders**") on the basis of one (1) Bonus Share for every ten (10) existing ordinary shares in the share capital of the Company ("**Shares**") held by Shareholders as at a date and time to be determined by the Directors for the purpose of determining Shareholders' entitlements to the Bonus Shares (the "**Books Closure Date**"), fractional entitlements to be disregarded (the "**Proposed Bonus Issue**").

2. Terms of the Proposed Bonus Issue

2.1 As at the date of this announcement, the Company has an issued and paid-up share capital comprising 2,948,219,971 Shares. For illustration purposes, assuming that there is no change in the number of issued Shares from the date of this announcement to the Books Closure Date, 294,821,997 Bonus Shares will be issued pursuant to the Proposed Bonus Issue. The actual number of Bonus Shares to be issued by the Company will depend on the total number of issued Shares as at the Books Closure Date.

2.2 The Bonus Shares will be issued pursuant to the share issue mandate approved by Shareholders at the annual general meeting of the Company held on 28 October 2016 ("**General Mandate**") which authorises the Directors to, *inter alia*, allot and issue new shares in the Company, on a *pro rata* basis to existing Shareholders, aggregating up to 50% of the total number of issued shares in the capital of the Company (excluding treasury shares) at the time of passing of the resolution approving the General Mandate.

As at 28 October 2016, the Company had 2,925,474,571 issued Shares (excluding treasury shares). As at the date of this announcement, the Company has not issued any new Shares pursuant to the General Mandate. Accordingly, the maximum number of Shares that the Company may allot and issue to existing Shareholders on a *pro rata* basis pursuant to the General Mandate is 1,462,737,285. The number of Bonus Shares proposed to be issued will fall within the maximum number authorised under the General Mandate.

2.3 The Bonus Shares will be issued as fully paid at nil consideration and without capitalisation of the Company's reserves, and when allotted and issued, will rank *pari passu* in all respects with the then existing issued Shares and with each other, except that the Bonus Shares will not be entitled to any dividends, rights, allotments or other distributions, the record date of which falls before the date of allotment and issue of the Bonus Shares. For this purpose, "**record date**" means, in relation to any dividends, rights, allotments or other distributions, the date as at the close of business (or such other time as may have been notified by the Company) on which Shareholders must be registered with the Company or The Central Depository (Pte) Limited in order to participate in such dividends, rights, allotments or other distributions. For the avoidance of doubt, the Bonus Shares, when allotted and issued, shall not be entitled to the proposed final (tax exempt one-tier) dividend of 0.7 Singapore cent per Share, as announced by the Company on 21 August 2017.

2.4 The Bonus Shares will be issued to the Shareholders whose names appear in the register of members of the Company or who have Shares entered against their names in the depository register as at the Books Closure Date on the basis of the number of such Shares registered in their names or standing to the credit of their securities accounts as at the Books Closure Date. Notice of the Books Closure Date will be given at a later date, after the necessary approvals for the Proposed Bonus Issue have been obtained.

3. Rationale for the Proposed Bonus Issue

The Company is undertaking the Proposed Bonus Issue to increase the issued share capital base of the Company, to recognise and reward the Shareholders for their continuing support of the Company and to improve the trading liquidity of the Shares, allowing for greater participation by investors and broadening the Company's shareholder base.

4. Approval for the Proposed Bonus Issue

The Proposed Bonus Issue is subject to the receipt of in-principle approval from the Singapore Exchange Securities Trading Limited (the "SGX-ST") for the listing and quotation of the Bonus Shares on the Main Board of the SGX-ST. An application will be made to the SGX-ST for the said approval in due course.
